A Season of Gratitude

As the holidays approach, we're reminded of one of life's greatest gifts — **friendship**. On **Wednesday, November 19th**, we'll gather at the **Glennon Center Ballroom** to celebrate the season with a festive **dinner and "mesmerizing" entertainment** — an evening to share good food, good company, and heartfelt appreciation for the community that makes our Good Life Club so special.

GLC monthly gatherings offer more than just a meal; they give us a chance to **connect, laugh, and lift each other's spirits**. In a world that moves fast, evenings like these remind us how meaningful it is to pause, share a conversation, and enjoy the simple pleasure of being together.

The **Good Life Club** thrives because of its members — people who show up, engage, and keep the spirit of camaraderie alive. Whether you've been part of the club for years or just recently joined, this event is a perfect opportunity to reflect on the joy of our friendships and the gratitude we share for one another.

So, mark your calendar for **November 19th** and join us for a warm evening of Thanksgiving cheer, delicious food, and magic. Together, let's celebrate the blessings of fellowship and all the reasons we're thankful to be part of this wonderful club.

thanksgiving A Season of Gratitude

In the spirit of Thanksgiving, your Good Life Club Board is offering a special opportunity to share our gratitude in a meaningful way.

At our **November 19th Dinner Event**, we're introducing our own Thanksgiving version of a **BOGO — Buy One, Get One!**

Here's how it works:

Bring to the dinner: a **check or cash donation** for the **Fort Mill Care Center (FMCC)** in the **amount of your dinner (\$30 per person) or more**, and the **Good Life Club** will **"BOGO" your dinner for the evening**. (Checks payable to FMCC, please.)

I hear you, "Wait, what'd you say?!"

Yes! You'll enjoy a wonderful evening of food, friends, and fun; all while helping fill other families' tables this Thanksgiving.

In essence, you'll **Buy dinner for Others** through your FMCC gift – and **Get One free** dinner on November 19th.

So many local families are feeling the pinch this year, and the **need for food assistance has grown**. Your contribution will help FMCC provide groceries, utility help, and a little peace of mind to neighbors who could use extra support this season.

Let's celebrate the season of giving together; sharing our good fortune, brightening the holidays for others, and lifting each other's spirits **in our true Good Life Club style**.

Clear your calendars for November 19 'cause this dinner event is not just any evening; it's going to be *mesmerizing*.

After our **pre-Thanksgiving-style** dinner (no turkey to save you from turkey overload on Thanksgiving Day), we're delighted to present a return performance by **Scott Deming**. Also known as **The Thought Illusionist** whom many

of you enjoyed back in March. Here's your opportunity to say "*man, you should'a seen it*" to those not attending – just sayin'.

Scott is more than a magician - he's a master mentalist who blends psychology, intuition, and audience interaction into a live show that keeps you on the edge of your seat. **Expect moments of genuine astonishment, bursts of laughter, and memories that linger long after the lights go out.**

This is the perfect way to follow our dinner - a shared experience that brings us closer, makes us smile, and reminds us why our club thrives on connection. Come for the food, stay for the wonder, and leave with stories to tell.

Together, we'll make it an evening to remember.

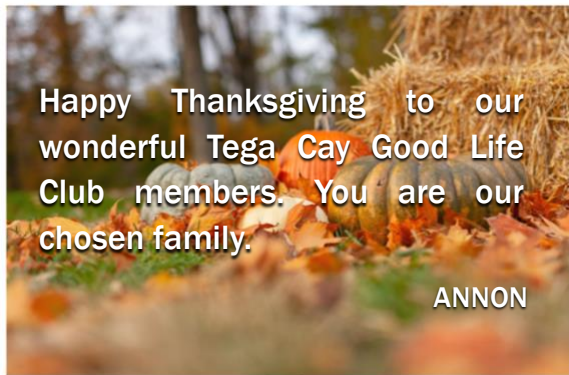

Menu and RSVP deadlines on page 6. See you there for another unforgettable night!

Thought for the Month

Wandering Thoughts

Procrastination is totally a good thing.
You always have something to do tomorrow,
Plus you have nothing to do today.

I may not be that funny,
or athletic or good looking,
or smart, or talented ...
I forgot where I was going with this ...

My wife sent me a selfie in a new dress and asked, "Does this make my belly look big?" I texted back, "Noo!" My phone autocorrected my response to "Moo." Please send help!

The older I get the more I understand why roosters just scream to start their day.

BRAIN TEASER

Leadership Needed to Continue the Good Life

The current terms for our Good Life Club Officers and Advisory Board members will expire on March 31, 2026. In accordance with our bylaws, candidates for the 2026 positions will be announced to the membership in February, followed by electronic voting shortly thereafter.

Please note that our **current board members**, who have served faithfully and generously for several years, will **not be candidates** in the upcoming election.

To ensure the **continued success and vitality** of our 40-year social club, **new volunteers are urgently needed** to step into leadership roles for the upcoming term.

Without a slate of candidates, the club cannot continue.

If you've enjoyed the dinners, laughter, and friendships this club brings, now's the perfect time to give back. Step forward, share your talents, and help shape our club's future. **We are seeking candidates within the next 60 days to determine the club's standing before January 1, 2026.**

Now is the moment — let's keep the Good Life going strong!

If you are interested in contributing your time and skills to support our mission and help guide the club's future, **please submit your interest within the next 60 days.**

Your involvement will help ensure that the Good Life Club continues to thrive for years to come. To express interest or learn more, please contact any of the board members listed on the last page of this newsletter or George Sheppard at georgesheppard@comporium.net

Thank you!

Annual Senior Citizen Christmas Party Event: Dec 1st and 2nd

For those of you new to the Lions Club annual Christmas party for local seniors, the event covers two days and shares the holiday spirit with between 250 to 300 seniors from around York County.

Attendees enjoy snacks while watching a live stage show (The Copycats) and then play games of Bingo. And each guest receives a gift, a mini-cake and a visit from Santa and the Grinch. For many, it is their only Christmas celebration.

We appreciate GLC members joining us in bringing this event to life every year. We are again seeking volunteers to 1) bake mini cakes; 2) provide gifts; 3) assist in executing the event on one or both days. I am attaching two different sign-ups.

Timeline this year:

Mini-cakes: *may be made ahead and frozen. (no nuts!)* – **Drop off Nov 19 to date of first event.** Details at link below.

Gifts – Drop off November 11 from 5-7 pm, at Glennon Center lower level; **or** contact Lions coordinator at tega.cay.lions@gmail.com for alternative drop off time.
